

Material Safety Data Sheet

1. Material Identification

Product Name: **Outdoor Furniture Cleaner**

Chemical Family: Cationic/nonionic aqueous surfactant solution

NPCA-HMIS Rating:

Health 1

Flammability 0

Reactivity 0

Personal protection rating to be supplied by user depending on use conditions.

2. Hazardous Ingredients

Contains Sodium Hydroxide

3. Physical Data

Density: 1.02

pH (3% solution): 7 to 9

Water Solubility: 100%

Boiling Point: 100 degrees Centigrade

Appearance: Clear, Pale Yellow Liquid

Odor: Mild Lemon

4. Fire and Explosion Data

Flash Point: Greater than 200 Fahrenheit by PMCC

Extinguishing Media: water spray, foam, dry chemical or carbon dioxide

Special Procedures: Evacuate personnel to a safe area, avoid breathing decomposition products, fire fighting personnel should wear respiratory protection.

Unusual Hazards: None.

5. Reactivity Data

Chemical Stability: Stable

Incompatibility: Avoid contact with anionic materials, strong acids, and strong oxidizing agents.

Polymerization: Will not occur.

Decomposition: Thermal decomposition may produce oxides of carbon and nitrogen.

6. Health Information

Toxicity: Not established

Carcinogenicity: None.

Exposure Limits: Not established

Safety Precautions: Avoid contact with eyes, skin, and clothing. Contact may cause eye irritation.

7. Employee Protection

Engineering Controls: Use adequate ventilation. Vent fumes outside work area.

Eye Protection: Wear safety glasses or goggles.

Skin Protection: Wear impervious gloves and clothing suitable to prevent skin contact.

Other: Do not consume food, drink, or tobacco in areas where they may become contaminated by this material. Always wash hands thoroughly with soap and water before eating, drinking, and smoking.

8. First Aid

Inhalation: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult or respiratory tract is irritated, consult a physician.

Skin Contact: Remove contaminated clothing. Flush skin with mild soap and water.

Eye Contact: Flush eyes with plenty of water for at least 15 minutes and consult a physician if irritation persists.

Ingestion: Consult a physician.

9. Disposal Information

Spill, Leak, or Release: Contain spill and salvage as much material as possible. Pick up remaining product with absorbent.

Waste disposal: Dispose of product only by methods approved by federal, state, and local regulations.

10. Storage

Store in a cool well ventilated area. Keep container tightly closed.

11. Transportation

DOT/IMO Proper Shipping Name: Non Regulated

This information relates only to the specific material designated herein and does not relate to use in combination with any other material or in any process. Such information is to the best of our knowledge and belief, accurate and reliable as of the date compiled. However, no representation, warranty or guarantee is made as to its accuracy, reliability, or completeness. It is the user's responsibility to satisfy himself as to the suitability and completeness of this information for his own particular use. We do not accept liability for any loss or damage that may occur from the use of this information nor do we offer warranty against patent infringement.
